

KIDNEY CANCER

is the **8TH MOST
COMMON CANCER**
in the UK

Incidence has
INCREASED
over
the last **10 YEARS**

But **SURVIVAL RATES**
are **IMPROVING**

50% of people
diagnosed in
England & Wales
SURVIVE
for ten years
or more

Knowing the signs to spot
and talking to your GP will
make a real difference

Don't be
afraid to talk
to your GP
about:

- Blood in urine
- Painful spasms in
groin or abdomen
- Lump in your
abdomen
- Continuous dull
ache in lower back
or side
