

Urology Oncology Virtual Study Day for Nurses and Allied Healthcare Professionals

Monday 7th June 2021

Audience:

This virtual study day is aimed at all radiographers, nurses, doctors, GP's, pharmacists and any other clinicians working in primary care/community services wanting to know more about urological oncology and its treatments.

Aims:

This study day will provide a greater understanding of urological oncology, its treatments and how to care for these patients in the primary care community services.

Cost:

£50 per delegate
